Level 2 Return to Clubrooms Plan

Ellerslie CC Level 2 Return to Clubrooms Plan

Background

The Ellerslie Cricket Club is located at Michaels Avenue in Ellerslie. The Clubrooms are located at the top end of the ground, and are accessible by two staircases, one internal and the other external.

The maximum capacity of the Clubrooms is 180 persons, however the usual number of patrons at any one time is ordinarily not more than 50.

COVID 19 Level 2 Return to Clubrooms Plan

COVID 19 'Sign In' notices will be placed on the entrances to the Clubrooms, and members will be required to sign in when accessing the Clubrooms under Alert Level 2.

A register of non-members is kept as per Liquor Licensing requirements, and this will be updated to include their sign in time.

Tables will be seated apart from one another to prevent mingling between groups, and hand sanitiser will be placed around the tables as well as at the bar.
